RE: Alleged Association to Organized Crime

Dear Michael:

Please find enclosed several documents which have recently come into my possession.

As you are no doubt aware, the Ontario Provincial Police have conducted quite a lengthy investigation into the Church of Scientology. Should criminal proceedings be launched, numerous witnesses from the United States and Canada will be required for Court.

It is my understanding that you act as Counsel for several potential witnesses, so I would appreciate any comments you might have in regards to these allegations.

Thanking you in advance.
